**XXI International Conference of Non-profit Partnership  
«The International Sport Federation of Firefighters and Rescuers»**

**RESOLUTION**

**08 December 2020 year**

**№ 1**

**city Moscow  
(Russian Federation)**

**Report on the results  
of the ISFFR for 2020**

According to the statutory activities of Non-profit partnership «International Sport Federation of Firefighters and Rescuers», pursuant to resolutions of the XX International Conference of the International Sport Federation of Firefighters and Rescuers (hereinafter-the International Federation), the Executive bodies of the Federation carried out a set of measures aimed at developing and strengthening fire-rescue sport and international cooperative activities.

Due to the epidemiological situation associated with the spread of the coronavirus infection COVID-19, international sport events were not held in 2020.

The work of the Executive Committee was aimed at increasing the member countries of the International Federation, negotiating with representatives of the fire and rescue services on joining the International Federation and their active

participation in events on fire and rescue sport, making changes and additions to the Charter of the International Federation, improving the website, further interaction with the International Civil Defense Organization (ISDO).

After hearing and discussing the report on the results of the International Federation for 2020, XXI International Conference of Non-Profit Partnership «The International Sport Federation of Firefighters and Rescuers» **has decided:**

1. To approve the report on international sports activities and results of the International Federation for 2020.

2. To recognize the work of the International Federation for the period satisfactory.

3. To note the increased authority of the International Federation in the international sport community.

4. Executive bodies of the Federation (the Federation Executive Committee, the Ground Jury, the Sport and Technical Committee, the Anti-Doping Disciplinary Committee, the Sport and Disciplinary Commission, the Audit Commission) and member countries of the ISFFR in their work should be guided by the basic documents of the International Federation and in a timely manner and effectively carry out the decisions of the Conference.

5. In order to achieve the statutory purposes of the International Federation considered priorities:

5.1. The consolidation of the international movement and association of sport organizations, cultivating fire and rescue sport, the adoption of new countries (states) and associate members of the International Federation.

5.2. The implementation of the Plan of major sporting events in the Federation for 2021, and the organization of the World Championships and the official international competitions at the highest organizational and technical level.

5.3. Develop and use the media, internet resources, souvenirs, advertising, printing, film and photo-video products for the popularization of fire-rescue sport at the international level.

6. To specify the members of the International Sport Federation of Firefighters and Rescuers on the inadmissibility of disrupting sporting events, included in the Plan of major sporting events of the International Sport Federation of Firefighters and Rescuers.

7. To entrust the Executive Committee of the International Federation:

7.1. To study the issue of holding World Championships in countries that were not previously conducting the Championships: Austria, Azerbaijan, Italy, China, Mongolia, Poland and other countries.

7.2. To consider the possibility of recognition the sport «fire and rescue» by the Olympic Committee.
