RESOLUTION

08 December 2020 year

Nº 6

city Moscow (Russian Federation)

About the addition to the Regulations international competitions in the continuing risks of the spread of coronavirus infection COVID-19

Pursuant to the Plan of the main sport events of the International Sport Federation of Firefighters and Rescuers for 2021, take note of the report of the Chairman of the Sport and Technical Committee on holding international competitions in the context of the continuing risks of the spread of coronavirus infection COVID-19.

After hearing and discussing the report of the Chairman of the Sport Technical Committee of the International Sport Federation of Firefighters and Rescuers, XXI International Conference of Non-Profit Partnership «The International Sport Federation of Firefighters and Rescuers» has decided:

1. To adopt the regulations for the organization and holding of the international competitions in fire and rescue sport if the risks of coronavirus infection COVID-19 are high (Appendix No. 1).

2. To carry out actions for the preparation and holding of world championships, in accordance with the terms of reference, conditions and requirements for holding

competitions in fire and rescue sport.

3. Members of the main judging boards of the Sports and Technical Committee of the International Sport Federation of Firefighters and Rescuers must carry out actions on the technical examination of buildings, fire and technical equipment, special means, devices and premises that ensure high-quality competition in 2021.
