Vice-President  
of the International Sports Federation  
of Firefighters and Rescuers

A.P. Chupriyan

2017 г.

**REGULATIONS**  
**on holding XIV World Championship among men and**  
**V World Championship among women in fire-rescue (fire-applied) sport**  
**«Banska Bystrica-2018»**

**1. Goals and objectives of the competitions**

- XIV World Championship among men and V World Championship among women of fire-rescue (fire-applied) sport (further – Competitions) is aimed at:
- further development and popularization of the profession of firefighters and rescuers;
  - improvement of professional and sportsmanship of workers in fire and rescue services;
  - strengthening friendly relations and cooperation between fire and rescue services in different countries;
  - popularization and development of the fire and rescue sport among women teams and their participation in the international competitions.

**2. Organization of the competitions**

The International Sport Federation of Firefighters and Rescuers performs general management and organization of the competitions in cooperation with the Fire rescue corps of the Slovak Republic.

Direct organization and holding of competitions (preparation of places of competitions, the meeting and send the participants, medical services, providing sports and technical equipment, catering and accommodation, cultural and leisure program coverage in the media, etc.) provides Fire and Rescue Corps of Slovak Republic.

The competition is held in accordance with the Rules of the competitions in fire and rescue (fire-applied) sport and Regulations of international competitions in fire and rescue sport with amendments and changes 2017.

The fire and technical equipment (with photo), which apply in combat deployment and fire relay race, should be published on the website [www.interfiresport.com](http://www.interfiresport.com) not later than **June 10, 2018**.

The competitions are held in the combat deployment of the motor pumps of the company «ROSENBAUER FOX III» with connecting hoses STORZ.

### **3. Timelines and venue of the competitions**

The competitions will take place: **from September 10-16, 2018**.

The venue of the competitions: **Banska Bystrica (Slovak Republic)**.

### **4. Participants and conditions of admission**

## **6. Line-up team and off-set on sports disciplines**

### **Men, women**

<b>Sports discipline</b>	<b>Composition of team</b>	<b>Results</b>
Climbing on an assault ladder	8 persons	6 results
Overcoming 100-meters obstacles	8 persons	6 results
Fire relay race 4x100 meters	2 teams	1 result
Combat deployment	1 team	1 result
Double-event	Personal superiority	

Competitions in climbing on an assault ladder, overcoming the 100-meter obstacle, combat deployment carried out on two attempts.

## **7. Procedure and conditions of defining the team and individual championships**

Overall team championship is determined on the basis of the least amount of places, taken by teams in all the sports events. In case of equality in total places, the higher place is awarded to the team having best result in the combat deployment.

Team championship in the sports events is determined on the basis of minimum total time. In case of time equality, the teams are awarded the same place (subsequent place is not awarded).

The team, which has not total number of scores, is awarded a place after the teams having full score. In case of equality of incomplete scores, the team is awarded a place to the team having the minimum score time.

Individual championship in sports events including combat deployment is determined according to the best result from two attempts. In case of results equality – according to the best total time of two attempts, and in case of equality amounts of time two attempts – according to the best result of the first attempt, further – athletes who started earlier. In the case of equal results in the fire relay highest place is awarded to the team which started earlier.

Double event do not include in team result.

To determine winners in climbing on an assault ladder and overcoming 100-meters obstacles are held semifinal and final race. The amount of athletes in final and semifinal races is determined by the number of racetracks. The results of final and semifinal races do not include in team result.

Semifinal races are formed by the results of preliminary races as follows: 1st semifinal race – 5, 1, 4 and 8 results; 2nd semifinal race – 6, 2, 3 and 7. Final race is formed by the results of semifinal races as follows: 3, 1, 2 and 4.

Team and individual championship among men and women in sports disciplines is performed separately.

## **8. Awarding**

The teams, which occupy 1st, 2nd, and 3rd places, are awarded with cups and certificates; and participants – with medals and gifts.

The teams, which occupy 1st, 2nd, and 3rd places in fire relay race in and combat deployment, are awarded with cups and certificates; and participants – with medals, certificates and gifts.

The participants, who occupy 1st, 2nd, and 3rd places in individual championship in climbing on an assault ladder, overcoming 100-meter obstacle course and double-event, are awarded with medals, certificates and gifts.

Winners in sports events are awarded with champion ribbons.

The Coaches of the national teams in all the sports disciplines are awarded with medals, certificates and gifts.

## **9. Participation conditions of the sports delegations and participants of the competitions**

The annual membership fee 3300 (three thousand three hundred) US dollars is transferred to the International Sport Federation of Firefighters and Rescuers **before April 1, 2018.**

The participation fee 180 US dollars for one member of the sports delegation is transferred to the account of the host country **before September 10, 2018 or on the day of arrival to the competition.**

The expenses, related to business trip of the sports delegations (travel tickets, accommodation, food, daily allowances during travel, salary preservation, etc.), are to be borne by the countries, sending delegation to the competitions.

The expenses, related to organization and conduction of competitions are the organizer's responsibility on account of own and involved means in accordance with the legislation.

For non-payment of the ISFFR membership fee, the team is not allowed to compete (clause 2 of the Regulations).
