2016

**XVII International Conference of Non-profit Partnership
«The International sports federation of firefighters and rescuers»**

RESOLUTION

26 November 2016 year

№ 1

**city Neusiedl am See
(Austrian Republic)**

**On implementation of the Plan of major sports
activities of the Federation in 2016
international activities
and the prospects of its development**

According to the statutory activities of non-profit partnership "International Sport Federation of firefighters and rescuers," pursuant to resolutions of the XVI International Conference ISFFR, the Plan of major sporting events of the International Sports Federation of firefighters and rescuers for 2016, the complex of measures aimed at developing and strengthening fire-rescue sports and international cooperative activities.

Direct perpetrator in the implementation of the planned measures Federation for professional work was done by members of committees and commissions: the Executive Committee, the Ground Jury, Sports and Technical Committee, Anti-Doping Disciplinary Committee and the Audit Commission.

With the support and direct participation of the heads of state fire and rescue services, executive agencies and national non-governmental organizations, the Federation organized and conducted on a highly professional and quality level of 4 world championships, involving more than 383 athletes of different age groups and categories, names of champions and world champions Sport disciplines fire-rescue sport awarded honored sports awards.

During the reporting period, scheduled international competitions in fire-rescue (fire-applied) sport, held talks with representatives of the fire and rescue services of foreign states for their active participation in the activities of the Federation.

After hearing and discussed the report on the implementation of the Plan of major sporting events MSFPS 2016, international activity and its development prospects, XVII International Conference of Non-Profit Partnership «The International Sports Federation of firefighters and rescuers» **has decided:**

1. Approve the report on the implementation of the Plan of major sporting events ISFFR 2016, international activity and its development prospects.

2. To recognize the work of the Federation for the period satisfactory.

3. Executive agencies Federation Executive Committee, the Ground Jury, Sports and Technical Committee, Anti-Doping Disciplinary Committee and the Audit Commission in its work be guided by the basic documents of the Federation and in a timely manner and effectively carry out the decisions of the Conference.

4. The organizers and the chief judges of the international competitions included in the schedule of the Federation, timely sent to the Executive Committee of the following: provision of the competition, the Ground Jury, the Chief Justice Report and the minutes of the competition.

5. The participants of the World Championships, conferences and other international events to fulfill the requirements, terms and conditions governing the documents approved by the next conference and promptly sent to the address of the Executive Committee of the Federation and organizers of events.

6. In order to achieve the statutory purposes of the Federation considered priorities:

- 6.1. The consolidation of the international movement and association of sports organizations, cultivating fire and rescue sport, the adoption of new countries (states) and associate members of the Federation.

- 6.2. The implementation of the Plan of major sporting events in the Federation in 2016, and the organization of the World Cup and the official international competitions at the highest organizational and technical level.

- 6.3. Develop and use the media, internet resources, souvenirs, advertising, printing, film and photo-video products for the popularization of fire-rescue sport at the international level.

6.4. Pay special attention to the possibility of the world championship among youth.

7. To specify the members of the International sport Federation of firefighters and rescuers on the inadmissibility of disrupting sporting events, included in a schedule of major sporting events of the International sport Federation of firefighters and rescuers.

7.1. To impose punitive monetary sanctions consistent rejection of the world Championships. At the same time to harmonize the rejection of the world Championships not later than 2 years, with the expectation of providing full replacement.

8. Vice-presidents of the International sport Federation of firefighters and rescuers conduct celebrations in connection with the 15 anniversary of the International sport Federation of firefighters and rescuers.

9. The organizers of the world Championships of fire and rescue in 2017 consider the possibility of applying ISFFR symbols associated with the celebration of 15th anniversary, with the production of informational materials and promotional products.

The director of the executive committee

A.P. Kalinin
