REGULATION
about the XII World Championship among men and III World Championship
among women in Fire and Rescue (Fire-Applied) sport
"Ostrava 2016"

1. Goals and objectives of the competition

XII World Championship among men and III World Championship among women in Fire and Rescue (Fire-Applied) sport (hereinafter – competition) is carried out with goal:

- Further development and promotion of the profession of firefighters and rescuers;
- Improvement of vocational and sports skills fire and rescue services;
- Strengthening of friendly relations and cooperation with fire and rescue services of foreign states;
- Promotion and development of Fire and Rescue sport among women's teams and their participation in international competitions.

2. Organization of the competition

General management and organization of competitions carries the International sport federation of firefighters and rescuers.

Direct organization and conduct of the competition (competition training places, meeting and sending participants, medical care, sports and technical equipment, catering and accommodation, cultural and leisure program, coverage in the media, etc.) carries the Czech Sports Federation of firefighters and rescuers.

Competitions are held in accordance with the rules of the competition of Fire and Rescue (Fire-Applied) sport and Regulations of the international competitions in Fire and Rescue sport approved by the XV International Conference of the International Sport Federation of firefighters and rescuers with amendments and additions from 2015.

Fire and technical equipment (with photos), used in firefighting and combat deployment, shall be published at the web-sites: www.interfiresport.com and www.ostrava2016.cz no later than **10 July 2016**.

Competitions are held in the combat deployment of the pumps of the company «ROZENBAUER FOX III» with STORZ hose connections.

3. Time and place of competition

6. The system of sports disciplines of appraisal and offset

Men, women

Sport discipline	Team	Offset
Climbing on an assault ladder	8 people	6 results
Overcoming 100-meter obstacle course	8 people	6 results
Fire relay race 4x100 meters	2 teams	1 result
Combat deployment	1 team	1 result
Double-events	individual championship	

Competitions in climbing on an assault ladder, overcoming the 100-meter obstacle course, combat deployment carried out in two attempts.

7. Terms definitions team and individual championship

The team championship among men and women is determined by the lowest sum of seats occupied by the teams in all sports disciplines. In case of equal amount of seats higher place is awarded to the team having the best result in combat deployment.

Team championship in sports disciplines is determined by the least amount of time, typed test participants. In case of equal amount of time, the team is awarded one seat (subsequent place is not awarded). The team did not quite get the full amount of credit results, assigned place after the teams with full credit. At equality of incomplete offsets - for the least amount of time of test participants.

Individual championship in sports disciplines, including combat deployment is determined by the best result of one of two attempts. In case of equal results - the best time sum of two attempts, with equal sum of two attempts at the time - for the best result of the first attempt, then - who had started.

In the case of the same result in the fire relay race 4x100 meters highest place is awarded to the team which started earlier.

Double-events in the team event not included.

To determine the winners, to overcoming 100-meter obstacle course and climbing on an assault ladder held semifinal and final races. The number of athletes semifinal and final rounds is determined by the number of tracks. The results of the semifinal and final rounds in the team standings are not included.

Semifinal races are formed based on the results of preliminary races on the circuit: 1 semifinal running - 5,1,4,8 result, 2 semifinal running - 6,2,3,7 result. The final race is formed as a result of the semifinal races of the scheme: 3,1,2,4 result.

Team and individual championship among men and women in sport disciplines produced separately.

8. Awarding

Teams ranked 1, 2, 3 place team will be awarded with cups and diplomas; participants – medals and gifts.

Teams ranked 1, 2, 3 in the fire relay race 4x100 meters and combat deployment, awarded with cups and diplomas; participants – medals, diplomas and gifts.

Participants who took 1, 2, 3 in the individual championship in the climbing on an assault ladder, overcoming 100-meter obstacle course and double-events will be awarded with medals, diplomas and gifts.

The winners in the sporting disciplines are awarded Champions ribbons.

Coaches of national teams in all sports disciplines will be awarded with medals, diplomas and gifts.
